ABOUT

I'm a Third-year IT engineering student who is eager to learn and develop in the field of technology. As I continue my journey in the field of technology, I am committed to continuous learning and professional development. I stay up-to-date with the latest trends and advancements, attending workshops, seminars, and online courses to broaden my horizons. I believe that a growth mindset is essential in an ever-evolving field like technology, and I am eager to embrace new challenges that come my way.
